# INDEX TO VOLUME I FOR 1944

READERS in search of a particular subject will find it useful to bear in mind that the references are in several cases distributed under two or more separate headings—for example, Brain and Cerebral; Heart and Cardiac; Liver and Hepatic; Renal and Kidney; Cancer and Carcinoma; Child and Infant; Goitre and Thyroid. Subjects dealt with under various main headings in the JOURNAL have been set out in alphabetical order under their respective headings—for example, "Annotations," "Correspondence," "Leading Articles," "Obituary," "Reviews," etc. Original Articles are indicated by the letter (O).

## A

ABBOTT, W. N.: Extrinsic renal factor, 373
Abdomen: Abdominal injury and intussusception, 382—A percussion test in acute lower abdominal conditions, 610
ABERCROMBIE, R. G.: Sciatica, 304
Abortion: Therapeutic, in Switzerland (annotation), 367—In *Brucella abortus* fever (A. R. H. Williamson), 752
ABRAMSON, A. W.: Varicella and herpes zoster: an experiment, 812
Abscess, breast, local treatment of, with penicillin (Donald B. Fraser), 523 (O)
—— cavities treated with penicillin, 522
—— pulmonary (annotation), 366
ABT, I. A. (editor): *Year Book of Pediatrics*, 722
Academy of Medicine, Paris: Member elected, 444

ACADEMY, ROYAL, OF MEDICINE IN IRELAND: *Section of Anatomy and Physiology*: Changes in the circulation during fainting, 228

Acetone, new test for, 512
Achlorhydria, 510—In a case of achrestic anaemia (A. A. Huse), 184
Acne: Intractable, 68—Treated with penicillin, 528
Actinomycosis: Recovery from actinomycosis of the liver (Hubert Chitty), 115; correspondence, 197, 266—Treated with sulphapyridine (R. W. Billington), 326—Co-operative research proposed, 406
ADELMANN, Howard B. (translator and commentator): *The Embryological Treatises of Hieronymus Fabricius of Aquapendente. The Formation of the Egg and of the Chick (De Formatione Ovi et Pulli). The Formed Fetus (De Formato Foetu)*, facsimile edition, 82
Adenitis, cervical, and mumps, blood diastase in (J. P. Murphy and others), 29
Africa, South: Effects on rats of prolonged feeding with the staple African diet (Joseph Gillman), 149 (O)
Aged: Problems of ageing and care of (annotation), 297
Agency, Medical Insurance: Annual meeting, 844
*Agents provocateurs*, 99
Agglutinins, cold, 481
Air, disinfection of (R.S.M.), 791
—— Force, rehabilitation in, 477
—— raids, survivorship in (medico-legal), 377
AIREY, F. S.: Organization of lupus treatment, 157—A health magazine for the layman, 341
AITCHISON, James (and John S. DICK): *Dental histology*, 592
AITKEN, Janet K.: Nursery schools and classes for young children, 335—Work of women doctors: a survey, 766
ALABASTER, George H.: Treatment of sciatica, 602
Alcock, Reginald, obituary notice of, 377
Alcohol, how to break off (annotation), 399; correspondence, 468—A "cure" for the drink habit (medico-legal), 598
ALDERS, Nicholas: Obstetric "shock," 197
ALDIS, A. S.: Abdominal injury and intussusception, 382
Alexander, David, obituary notice of, 703
—— J. R. B. (and others): Control of scabies by use of soap impregnated with tetra-ethylthiuram monosulphide ("tetmosol"), 803 (O)
ALLEN, Clifford: Babies in glass cages, 404, 573
—— F.: Conditions in detention barracks, 609
—— F. R. W. K.: Resuscitation by rocking for heat-stroke, 138—Diet in hospital, 306
Allergy: Rudiments of (book review), 222—Sensitivity to liver extract (J. G. McSorley and L. S. P. Davidson), 714 (O); correspondence, 824—Sulphonamide allergy (R. G. Park), 781 (O). *See also* Anaphylaxis
Alopecia areata, anxiety, neurofibromatosis, auricular fibrillation: description of a patient (Douglas Hubble and C. H. Rogerson), 486 (O)
ALSTON, J. M.: Crude penicillin filtrate for local treatment, 652 (O)—Work of M.R.C. committees, 733
ALVAREZ, Walter C.: *Nervousness, Indigestion, and Pain*, 721
AMBROSE, A. J.: Excessive sweating, 609
AMOS, B. (and others): The Haldane haemoglobinometer: I. Iron, oxygen, and the British Standards Institution colour standard, 248 (O)
Ampoule injector (Burroughs, Wellcome & Co.), 186

ANAEMIA:
Achrestic, with achlorhydria (A. A. Huse), 184
Hypochromic: Treatment of, in school-children, with iron and ascorbic acid (L. S. P. Davidson and G. M. M. Donaldson), 76 (O)
Macrocytic: Autolysed yeast in the treatment of nutritional macrocytic anaemia (G. R. Sippe), 656 (O)
Malaria, latent, presenting as anaemia (G. Baum), 289
Megalocytic anaemia in a young vegetarian (R. T. Cooke), 558
Pernicious, the stomach in (annotation), 788

ANAESTHESIA:
All-purpose anaesthetic machine (Ernest I. Bieber) 460
Anaesthetic requisites (J. Fraulo), 559
Anaesthetics: Teaching of, 96, 127, 233, 337, 600—Effect of, on gastric tone and motility (leading article), 187—Old and new, 572
Bone marrow as a site for the reception of infusions, transfusion, and anaesthetic agents: a review of the present position (Hamilton Bailey), 181 (O); correspondence, 266, 278, 305
Chloroform, 263, 374, 434
Convulsions during anaesthesia, aetiology and treatment of (W. N. Kemp), 447 (O)
Cyclopropane: For dental surgery in children (K. B. Pinson), 588 (O)—The use of, in the field (Rex Binning), 620
Cystoscopy, suitable anaesthetic for, 137
Death, detection of, 59
Dental clinics, school, anaesthesia in, 731
Endotracheal, head harness for (A. Owen-Flood), 363
Ether: A portable warmed ether-and-air anaesthetic apparatus (A. Meredith Millar), 623—And the Oxford vaporizer, 826
Eye signs of, 434, 540
Facepieces: Device for promoting an air-tight fit (H. J. V. Morton), 291
General: Cranial nerve palsies with herpes following general anaesthesia (J. H. Humphrey and Margaret McClelland), 315 (O); leading article on, 330; correspondence, 434
Hazard of, 634
Intravenous, 198, 302—By gravity-feed apparatus (J. L. Griffin), 425
Law and anaesthesia, 347
Misadventures, publication of, 263, 405, 633
Oxford vaporizer: In India, 601—Precautions and method of use, 676—Ether and, 826
Pentothal, administration of, 731, 825
Perineum, torn, 861
Post-anaesthetic vomiting, 826
Recognition of anaesthetic gases, 302
Spinal: Modified trolley to maintain tilting during transport after (T. B. Mouat), 532
Thymus and death under, 277, 482
Trilene: Parotitis following, 138—Closed-circuit administration: suspension of, recommended, 169, 318; hazards in closed-circuit (S. Carden), 319; leading article on, 330; correspondence, 341, 434—Points about trilene, 737

Analgesia: During labour, 30, 59, 161, 207—Trilene, inhaler for, 131—Pethidine as an obstetric analgesic, a report on 150 cases (Bedelia Gallen and Frederick Prescott), 176 (O)—Obstetric analgesia with pethidine (Walter Spitzer), 179 (O)—Gas-and-air (book review), 623
Anaphylaxis: Anaphylactic shock after posterior pituitary extract injection (E. Schleyer), 255—Familial anaphylactic shock (annotation), 331; correspondence, 434
Anatomy: Fore and aft, 545—Pictorial aids to (book review), 591
Anderson, George Cranston, death of, 49—Obituary notices and personal tributes, 62, 88—Service of remembrance, 87—Messages of condolence, 122, 238, 343
—— Lieut.-Col. J. A., death of, 767
Anderson, P. H. R. (and others): Oiled floors to control respiratory infection: an Army experiment, 616 (O); leading article, 624
—— Robert: Artificial insemination, 95
—— R. G.: Histiocytic medullary reticulosis with transient skin lesions, 220
—— Thomas: Periarteritis nodosa, 340
—— W. F.: The tonic action of strychnine, 360 (O)
ANDRATSCHKE, B. (and C. H. ROGERSON): Shock treatment of mental disorder, 94
ANDREWS, C. T.: Sensitivity to liver extract, 824
—— G. W. S. (and A. C. OGILVIE): Multiple infestation with *Taenia saginata*, 772
Angina pectoris, 67
Angioma, intrameatal, 103
Angior, Frederick Leigh, obituary notice of, 472
Aniacinamidosis. *See* Nicotinic acid
Aniacinosis. *See* Nicotinic acid
ANNAND, W. Fraser: "Departmental prescription," 827

**Annotations:**

Abortion, therapeutic, in Switzerland, 367
Absenteeism and prevention of fatigue, 563
Ageing and the care of the aged, 297
Alcohol, how to break off, 399
Anaemia, pernicious, the stomach in, 788
Anaphylaxis: Familial anaphylactic death, 331
Anderson, Dr. C. G., death of, 49
Anthropologist, training the, 190
Birmingham United Hospital, 696
Blood group factors in tissues and body fluids, 400
Bovine serum for transfusion, 850
Breast-feeding, 225
*British Medical Bulletin*, 261
Deafness, traumatic, 500
Delinquency, diagnosis and treatment of, 758
Diseases and injuries, classification of, 499
Disinfectants 596
Doctor and patient, 189
Doctors, native, training in the Pacific, 227
Drug control in Liberated Europe, 696
Ductus, patent, operation for, 86
Dust in the foundry, 757
Endocrine glands, poisoning the, 595
Gonorrhoea, sulphonamide prophylaxis, 695
Granulomatosis, lipophagic, 121
Health of Belfast, 365
Hearing and deafness, research into, 594
Heart: Digitalis in congestive heart failure, 429
Heat treatment of shock, 49
Incapacitating illness in Canada, 225
Indexes, half-yearly, 820
Industry, surgical service for, 536
Infants: Mortality in Belfast, 156—Breast-feeding, 225—Care of the premature infant, 535—Neonatal diarrhoea, aetiology of, 594
Infections, air-borne, decline of, 296
Intellectual deterioration, measuring, 564
Iron, absorption of, 464
Journalism, irresponsible, 400
Kala-azar, diamidines for, 725
Leprosy in children, 596
Leucotomy, prefrontal, 851
Lungs: Pulmonary abscess, 366—Lung flukes, 500
Macula, disciform degeneration of, 17
*Medical Directory*, centenary of, 297
—— technician, 226
Methyl alcohol poisoning, 666
Miners, injured, rehabilitation of, 850
Mortality, adult, 464
Names, misleading, 626
Nerves, vascular supply of, 189
Neurotic constitution, 120
No news but the old news (puerperal fever), 50
Nursery schools: War in the nursery, 50
Oesophageal stricture, 86
Oestrogen: A new synthetic ("octofollin"), 226
Oestrogens and the ovary, 261
Ophthalmology: The senile pupil, 190—Thrombosis of central retinal vein, 227—Night vision by red light, 332—Corneal dystrophy, 726
Opium traffic in the Far East, 18
Oxygen, arterial, after pulmonary resection, 18
Parachute jumping, medical aspects, 463
Penicillin: In venereal disease, 428—In war wounds, 499
Pharmaceutical Society's College, 758

**Annotations** *(continued)*:
Pituitary cytology and function, 17
Poliomyelitis: Kenny method criticized, 627
Population, estimation of, 695
Pregnancy, toxaemia of, and hypertension, 398
Prisoners of war, books for, 563
Proteins, mixed, biological value of, 626,
Queen's nurse, 564
Radiations, standardization of, 262
Rehabilitation filmed, 789
Reintegration at Lincoln's Inn Fields, 85
Rh factor, eugenic and genetic aspects of, 262
Roehampton, extension at, 366
Scott and Uthwatt Reports, 331
Shock, treatment of, 562
Smallpox: A warning, 367—Vaccination against, 399
Spanish medicine, 820
Speech, oesophageal, 788
Surgical science moves forward, 156
Sweden: A Medical Nobel Institute, 789
Tannic acid, toxic, 463
Therapy, occupational, in New Zealand, 400
Thrombosis of central retinal vein, 227
Tuberculosis: Tubercle bacilli in milk, 121
Tyrosine poisoning, 726
Vein, left common iliac, anomalies of, 851
Venereal diseases: Short guide to, 626—In Scotland, 725
Vitamins: More light on the B complex, 85—Human synthesis of vitamin B, 332
White Paper on National Health Service: The Minister replies, 819
Yorke, Warrington, Memorial Fund, 535

Anthropology: Training of the anthropologist (annotation), 190
Antigonadotrophic factor, review of book on, 814
Antiseptics, local, 278
Anuria (leading article), 16
Anus, imperforate, two cases of (Ian A. J. McCready), 290
Anxiety, alopecia areata, neurofibromatosis, auricular fibrillation: description of a patient (Douglas Hubble and C. H. Rogerson), 486 (O)
Appendicectomy, tetanus following (A. Jolleys), 151
Appendicitis, acute, operation for, 861
Appendix, traumatic perforation of (A. F. Williams), 423
Apples and plums, 103
Appointments, 102, 312, 411, 500, 508, 544, 672
ARCHANGELSKY, B. A. (and M. V. TRUBKOWITCH): Results of external prophylactic version, 220 (O)
ARCHIBALD, Dorothy (and Ida MANN): A study of a selected group of women employed on extremely fine work, 387 (O); correspondence, 539; correction, 580
Argentina: President of National Department of Hygiene appointed, 28
Argyrol and ephedrine in normal saline, 382, 580
Armitage, John James, obituary notice of, 408
ARMSTRONG, J.: 58 stones in the urinary bladder, 200

ARMY:
The chronic medical case (J. W. Todd), 19 (O)
Doctors' administrative duties, 240
Medical services, 477
Numbers of category A1 boarded out in less than six months, 478
Leave for examination purposes, 508
Medical services (book review), 532
Medical officers at military prisons, 605
Non-combatant officers, 610

Arterial oxygen after pulmonary resection (annotation), 18
Arthritis: Treatment of, 65—Menopausal, 68—Vitamin D in, 137; annotation, 400; correspondence, 538—Pain in, 347—Vaccines for, 641
—— rheumatoid: A complicated case, 243
—— —— chronic: Treatment with gold (leading article), 329; any questions? 381; correspondence, 433, 467; answer in Parliament, 638
Ashmore, Capt. J. B., killed, 605
ARTHUS, Maurice: *The Philosophy of Scientific Investigation*, translated by H. E. Sigerist (leading article), 849
ASHWORTH, Eveleen (and E. CLAUSEN): Anaesthesia in school dental clinics, 731
Askari, Major S. W. H., death of, 378
Aspiration: A thoracic aspirating device (Clifford Riley and R. A. Grant), 81
Aspirin: A case of poisoning (A. D. Charters), 10 (O)—Mode of action of, 862

ASSOCIATION, BRITISH MEDICAL:
Report by Council on White Paper on National Health Service, 643; leading article on, 663; question in Parliament, 705—Postponement of Annual Representative Meeting, 727—The Minister replies, 819

Association, British Orthopaedic: Orthopaedics in military centres, 761
—— British, of Otolaryngologists: Officers, 193
—— of Clinical Pathologists: Memorandum on National Service in Clinical Pathology, 370
—— Family Planning: 13th annual report, 768
—— Hospital Saving: Scholarships for nurses, 228, 415
—— Indian, for Cultivation of Science: Bimala Churn Law gold medal, 762; Joykissen Mookerjee gold medal, 762
—— of Industrial Medical Officers: Hand injuries, 58
Association, Ling Physical Education: Easter holiday course, 762
—— London, for Hospital Services, Limited; Grant-in-aid plan for hospital service, 53
—— of Military Surgeons of the United States: Gorgas award, 411
—— National, for Prevention of Tuberculosis: Investigation into psychology of tuberculosis to be undertaken, 800
—— Polish Medical, formation of, 544
—— Scientific Film, aims of, 28
—— of Scientific Workers: President appointed, 242
—— Tuberculosis, of India: Report, 292
Asthma, bronchial: Treated with dilantin sodium (M. H. Shulman), 110—In children, 642
Atebrin, mental disturbance after, 763
ATKINS, H. J. B.: *After-treatment*, 2nd ed., 847
Atmosphere: Pollution with cement dust, 412
Atropine, structure of, 382
AYRE, Philip: Teaching of anaesthetics, 127

## B

BAAR, H. S.: Babies in glass cages, 505
BACH, Herbert E.: Pre-Nazi medicine in Vienna, 25
Backache and renal disease, 244
*Bact. alcalescens*, a case of dysentery associated with (Arthur C. Ingram and Franz A. Heimann), 12
Bacteriology, diagnostic (book review), 291
BADGER, T.: Yellow fever vaccine jaundice, 466
BAILEY, Hamilton: Bone marrow as a site for the reception of infusions, transfusion, and anaesthetic agents. A review of the present position, 181 (O); correspondence, 266, 278, 305—Editor of *Surgery of Modern Warfare*, 3rd ed., 327, 692—Consultant and specialist services, 270—*Emergency Surgery*, 5th ed., 395—*Demonstrations of Physical Signs in Clinical Surgery*, 9th ed., 623
—— J. Shackleton: Sciatica, 57
BAIRD, Dugald: Infant mortality in Scotland, 300
BALME, Harold: *The Unfit made Fit*, 396
BANKART, A. S. Blundell: Sciatica, 125
BANKS, H. Stanley: Cross-infection in fever wards, 124—Gastro-enteritis in infants, 632
Barbados: Unusual "deficiency" diseases, 244, 802
BARBER, Mary (and Meave KENNY): An outbreak of puerperal sepsis due to a single type of haemolytic streptococcus: its investigation and remedy, 809 (O)
Barber-surgeons, foreign brothers of the (Nova et Vetera), 599
Barbour, Henry Gray, death of, 605
BARCROFT, H. (and others): Changes in the circulation during fainting, 228
BARDHAN, Pramatha N. (and others): Dry blood test for typhus fever: preliminary report, 253 (O)
BARKER, W. B.: Ophthalmic surgeon and optician, 702
BARLOW, A.: Immediate blood transfusion in obstetric shock, 59
—— John, obituary notice of, 270
—— K. E.: Doctor and patient, 265, 436
—— Sir Thomas: R.M.B.F. Christmas gifts, 132
—— Wilfred: Just suggestion? 374
BARNES, Josephine: Dienoestrol for menopausal symptoms, 79
BARRETT, James W.: Water and population, 729
BARRITT, Maxwell M.: An improved Pappenheim stain for gonococci, 494
BARRON, J. N. (and O. T. MANSFIELD): Penicillin in soft-tissue lesions, 521 (O)
BARROW, M.: Population problems of India, 95
BARSTOW, E. W. (and T. D. WHITTET): Ephedrine and argyrol in normal saline, 382
BASHFORD, Sir Henry H.: Shock treatment of mental disorder, 537, 574
BASKETT, B. G. M.: Infant mortality in Scotland, 506
BASTIBLE, M. G.: Rare medical books, 382
Bateman, Wing Cmdr. Donald Scrimgeour, killed in flying accident, 475; personal tributes, 507
BATTEN, Lindsey W.: Reform in medical education, 265
BEATTIE, J. (and J. MARSHALL): Aetiology of post-arsphenamine jaundice, 547 (O)
—— (and others): Studies on hepatic dysfunction: I. Carbon tetrachloride poisoning treated with casein digest and methionine, 209 (O); leading article, 224
Beaumont, William (1785–1853): Permanent memorial assured, 82
BEAVAN, T. E. D.: Gastro-enteritis units in children's hospitals, 632
BECK, Diana J. K.: Venous thrombosis in the C.N.S., 299
—— (and Dorothy S. RUSSELL): Histological effects of sulphonamide-proflavine mixtures in the rabbit, 112 (O)
BEDSON, S. P.: Recent work on viruses, 853
—— (and others): Pathology and the National Health Service, 791
BEHR, G.: Bone-marrow in infusions, 305
Belgium: Tuberculosis in, 58—Infant mortality and nutritional conditions, 368
BELL, Doyne: Some paediatric procedures, 853
BENNETT, J. G.: Actinomycosis with lung and liver involvement, 197
—— William Edward, obituary notice of, 604
BENNETT-JONES, M. J.: Umbilical hernia in children, with special reference to injection treatment, 78 (O); correspondence, 230, 304, 340, 435, 764
BERGER, F. M. (and P. L. SUTHERLAND): A milk-borne outbreak of gastro-enteritis due to *Salmonella dublin*, 488 (O)
BERGIN, Kenneth G.: Chemoprophylaxis of gonorrhoea, 855
Beriberi, polished rice and, 512
BERRY, J. L.: Pulmonary emphysema, 467
—— Richard J. A.: Tribute to Dr. G. C. Anderson, 88—What is psychiatry? 634
BERT, Paul: *Barometric Pressure. Researches in Experimental Physiology*. Translated by Mary Alice and Fred. A. Hitchcock, 753
Beveridge, Capt. Thomas M., obituary notice of, 537
BHATNAGAR, S. S.: Prognostic value of laboratory investigations in typhoid fever, 417 (O)
BIEBER, Ernest I.: An all-purpose anaesthetic machine, 460
BIERI, E. J. (and others): Blood diastase in mumps and cervical adenitis, 29
BIGELOW, W. G. (and E. C. G. LANYON): Some uses for dry cold therapy, and a proposed cooling cabinet, 215 (O)
BILLINGS, B. Richardson: The prisoner-of-war mentality, 90, 235
BILLINGTON, R. W.: Actinomycosis treated with sulphapyridine, 326
BINNING, Rex: Transportation of fractured femur, 130—The use of cyclopropane in the field, 620
Biology, the story of (book review), 495
Bird, Albert Edward, obituary notice of, 671
BIRDSALL, S. E.: Sinus trouble in children, 431
Birrell, Col. Edwin Thomas Fairweather, obituary notice of, 858
Birth rate: Resolution of Malthusian League, 169
—— weights, high, 510, 609, 738
BLACKBURN, Guy: Surgical problems in forward areas, 556 (O)
BLACKISTON, P. H.: Oxford vaporizer in India, 631
BLACKLOCK, D. B.: India's population problems, 404
BLACKSTOCK, Eric: Treatment of pediculosis capitis, 114
BLACKTIN, S. C.: Cause of silicosis, 470
Bladder, urinary: "Stammering," 171, 347—58 stones in, 200—Suprapubic cystotomy in bladder paralysis, 229—The record in urinary calculi, 233, 348—Removal of massive calculus: recovery, 268
BLAND, Herbert W.: Psychological approach to illness, 93
Blandford, Laurence James, obituary notice of, 376
Blankets, electric, action of (G. Malcolm Brown and K. Mendelssohn), 390 (O)
—— oiling technique, 545, 642
Blepharitis treated with penicillin, 527
BLOMFIELD, J.: Teaching of anaesthetics, 337

BLOOD:
Arterial, in emphysema: the haemo-respiratory exchange, 107
Circulation: Changes during fainting, 228
Corpuscles, ratio of, to plasma, 445
Cultures in staphylococcal septicaemia, 599
Diseases: Lady Tata Memorial Grants for research in, 831
Donors: Fainting in blood donors, Report to the M.R.C., prepared by a Subcommittee of the Blood Transfusion Research Committee, 279 (O); correspondence, 374, 404, 482
Haemoglobin, estimation of, by photo-electric absorptiometers (J. M. Peterson and D. H. Strangeways), 43 (O)—The Haldane haemoglobinometer: I. Iron, oxygen, and the British Standards Institution colour standard (R. G. Macfarlane and others), 248 (O)—The haemoglobin equivalent of the B.S.I. Haldane Standard (E. J. King and others), 250 (O)
Diastase, in mumps and cervical adenitis (J. P. Murphy and others), 29
Groups: Technique of grouping (book review), 13; correction, 117—Assessment of evidence of (medico-legal), 134; correspondence, 635—Blood group factors in tissues and body fluids (annotation), 400—And transfusion (book review), 495
Haemoglobinuria, march, in two soldiers aged 19 and 21 (R. A. Palmer and H. S. Mitchell), 423
Picture after mepacrine, 406
Pressure: In surgery, 59, 92, 264—In midwifery (Walter Radcliffe), 354 (O)—Toxaemia of pregnancy and hypertensive states (annotation), 398—A case of low blood pressure, 411—Systolic and diastolic variations in hypertension, 445—Tobacco, alcohol, and hypertension, 801
Rh factor: Eugenic and genetic aspects (annotation), 262—Haemolytic disease of the newborn: the preponderance of homozygous Rh-positive fathers (G. L. Taylor and R. R. Race), 288 (O); correspondence, 371, 545
Transfusion: Immediate, in obstetric shock, 59—Five cases of jaundice following transfusion of whole blood or human plasma (R. E. Steiner), 110 (O)—Bone marrow as a site for the reception of infusion, transfusion, and anaesthetic agents: a review of the present position (Hamilton Bailey), 181 (O); correspondence, 266, 278, 305—Symptomless incompatible transfusion and resultant changes in iso-agglutinin titre (R. Drummond), 483 (O)—Transfusion standard (V. H. Cooper), 722—Bone-marrow transfusion in infants and children, introducing a specially designed needle (Janet D. Gimson), 748 (O); correspondence, 826. *See also* Serum *and* Plasma
Urea, urine and, under sulphonamides, 130

Board, Central Midwives: Chairman re-elected, 736
—— Conjoint, in Scotland: Pass lists, 239—Licentiates admitted, 239, 605; correction, 378
Body poise, review of book on, 222
Boils, treated with penicillin, 527
BOMFORD R. R. (and S. B. HUGHES): Clinical features and treatment of malaria in British troops in West Africa, 69 (O); leading article on, 84; correspondence, 164, 196, 232
Bone infections, penicillin in (Ivor M. Robertson), 519 (O)
—— marrow: As a site for the reception of infusions, transfusion, and anaesthetic agents: a review of the present position (Hamilton Bailey), 181 (O); correspondence, 266, 278, 305—Site for transfusion in infants and children, introducing a specially designed needle (Janet D. Gimson), 748 (O); correspondence, 826
Bones, diseases of (book review), 558
BONGER, William Adrian: *Race and Crime* (translated by Margaret Mathews Hordyk), 495
BONNEY, Victor: Expectation of life in urinary tuberculosis not surgically treated, 700

"Sedormid," damage to C.N.S. following (W. Wespi), 82
SELBY, Harold J.: Implantation cancer, 802
SELLICK, B. A. (and F. W. ROBERTS): Intravenous anaesthesia, 302
SELLORS, T. Blanchard: Appreciation of J. W. H. Eyre, 375
Septicaemia, staphylococcal: Treated with sulphadiazine (H. Bathurst Norman), 183 (O)—Treated with penicillin (Teodoro Schlossberg), 326—Blood cultures in, 599
Serum, despeciated bovine (D.B.S.): A substitute for human plasma (F. Ronald Edwards), 73 (O); annotation, 850
Service doctors, postgraduate courses for, 505

SERVICES:
Appointments, 28, 65, 100, 167, 240, 273, 310, 343, 378, 475, 508, 544, 577, 605, 640, 673, 767, 829, 858
Awards, 28, 65, 100, 134, 167, 204, 240, 310, 343, 378, 442, 475, 577, 605, 673, 704, 767, 858—Report on, to House of Commons, 168
Casualties in the Medical Services, 28, 65, 134, 168, 204, 240, 273, 310, 378, 409, 475, 508, 544, 577, 605, 673, 767, 829, 858
Deaths in the Services, 65, 100, 134, 168, 273, 378, 409, 442, 475, 673, 704, 734, 829, 858
Died, 28, 65, 168, 240, 310, 378, 442, 475, 508, 577, 767, 858
—— on active service, 28, 134, 544, 577
—— of wounds, 240, 734, 798
Efficiency decoration, 204, 605
Killed, 28, 65, 204, 240, 475, 605, 704, 798, 858
—— in action, 65, 204, 409, 508, 577, 673, 767—On active service, 475
Mentioned in dispatches, 28, 65, 100, 134, 168, 204, 240, 475, 605, 640, 673, 704, 767, 798, 829
Missing, 204, 310, 378
—— believed killed, 508
—— presumed to have lost life, 134, 273, 378, 409, 442, 475, 577, 704, 767
Orders conferred, 442, 605
Prisoners of war, 240, 378, 409, 475, 508, 544, 577, 605, 673, 767, 829
—— repatriated, 769
Wounded, 65, 168, 240, 378, 475, 544, 577, 673, 704, 734, 767, 798, 829, 858

SHAND, Ernest: Scabies, 98
Shanks, Capt. J. L., killed, 240

STOPES, Marie C.: Population problems of India, 95
STRANGEWAYS, D. H. (and J. M. PETERSON): Estimation of haemoglobin by photoelectric absorptiometers, 43 (O)
STRAUSS, E. B.: Enuresis, 370
Stretcher, rocking, 163
Stroke, painful spasms after, 411
Strychnine: Tonic action of, 207—Tonic action of (W. F. Anderson), 360 (O)—And field of vision, 609
Stuart, Mary S., mentioned in dispatches, 735
Stupor, traumatic (G. Jefferson), 2
Stuppel, Major R., killed, 798
Stuttering, review of book on, 291
Suggestion, 195, 267, 374
SULMAN, Felix (and Bernhard ZONDEK): *The Antigonadotropic Factor, with Consideration of the Antihormone Problem*, 814

SULPHONAMIDE GROUP:
Sulphadiazine: In treatment of meningococcus carriers (F. S. Cheever and others), 170—Staphylococcal septicaemia treated with (H. Bathurst Norman), 183 (O)—Treatment of agranulocytosis due to sulphadiazine by subsequent dosage of same drug (F. L. Munro and H. W. Jones), 494
Sulphadimethylpyrimidine: Approved name of 2-(4-aminobenzenesulphonylamine)-4:6-dimethylpyrimidine and of sulphamezathine, 598
Sulphaguanidine: In the treatment of Flexner dysentery (H. G. Smith), 287 (O); correspondence, 373, 435, 569, 730—Severe granulocytopenia from (A. Grant), 557—Toxic effects of, 569
Sulphamezathine sodium, 623
Sulphanilamide: "Wellcome" products for local therapy, 328
Sulphapyridine: Actinomycosis treated with (R. W. Billington), 326
Sulphathiazole: Insufflations for gonococcal vaginitis, 98—Prescribing, 346—Supplies available, 543—A case of pneumococcal meningitis treated successfully (C. Going), 690
Sulphonamide-proflavine mixtures, histological effects of, in the rabbit: experimental observations (Dorothy S. Russell and Diana J. K. Beck), 112 (O)
Sulphonamides: Urine and blood urea under, 130—Which sulphonamide?, 171—Effect on human biosynthesis of vitamin $B_1$, 332—In ophthalmia neonatorum (A. Sorsby and E. L. Hoffa), 353 (O)—And rheumatic fever, 381—And fluid intake, 608—Dermatitis after local sulphonamides, 610—Anuria following (J. C. McClelland) 621—Prophylaxis of gonorrhoea (annotation), 695—Dacryocystitis and, 708—Some dangers in ear infections (A. R. Dingley), 747 (O); correspondence, 854—Allergy (R. G. Park), 781 (O)—Hypnotics and, 801—Chemoprophylaxis of gonorrhoea, 855

SURGERY:
*After-Treatment*, 2nd ed. (H. J. B. Atkins), 847
Clinical: Demonstrations of physical signs in (book review), 623
Dental: Cyclopropane for dental surgery in children (K. B. Pinson), 588 (O)
*Emergency Surgery* (Hamilton Bailey), 5th ed., 395
Field surgery (book review), 784
*General, 1943 Year Book of*, 846
Head wounds (leading article), 47
Mandibular infection, surgery and penicillin in (Rainsford Mowlem), 517 (O)
Operative (book review), 721
Physics and the surgeon, 98
Repair (book review), 80
War. *See* War

SUTHERLAND, P. L. (and F. M. BERGER): A milk-borne outbreak of gastro-enteritis due to *Salmonella dublin*, 488 (O)
SWARTZ, J. H.: *Elements of Medical Mycology*, 754
Sweat, composition of, from different parts of the body (O. Mickelsen and A. Keys), 300
Sweating, excessive, 412, 609
Sweden: Medical Nobel Institute, 789
Switzerland: National League for Campaign against Cancer, 28—Therapeutic abortion in (annotation), 367
SWYER, R.: Diagnosis of gastro-enteritis in infants, 632
